

We are proud to commemorate 10 Years of Scarfes Bar. This menu is an homage to our loyal guests, our beautiful bar, our namesake Gerald Scarfe, our resident musicians, and our incredible team – a love letter to all those who have made this bar what it is today. We invite you to celebrate with us, and to enjoy 10 of the greatest cocktails

from the past decade and 10 new creations from the award-winning team. Long may the Scarfes legacy live on, and we look forward to welcoming you back for many more years to come.

If you have any allergies or intolerances, please let the bar team know. Please note that a discretionary 15% service charge will be added to your bill and that all prices are inclusive of VAT.
